

My Everything

Owl City

When my hope is lost and my strength is gone
I run to you, and you alone
When I can't get up, and I can't go on
I run to you, and you alone

Cause you're my light in the dark
And I sing with all of my heart

Alleluia, my almighty God divine
Alleluia, I am yours and you are mine
This is all I know how to say
Alleluia, Alleluia
You're my everything

When i'm plagued with pain, and filled with fear
I run to you, and you alone
When my days are few, and death is near
I run to you, and you alone

Cause you're my light in the dark
And I sing with all of my heart

Alleluia, my almighty God divine
Alleluia, I am yours and you are mine
This is all I know how to say
Alleluia, Alleluia

When trouble comes and goes
And when the cold wind blows
I lift my hands up
I lift my hands up
When sorrow knocks me down
And you pick me off the ground
I lift my hands up
I lift my hands up
And I sing ...

Alleluia, my almighty God divine
Alleluia, I am yours and you are mine
This is all I know how to say

Alleluia, by the grace of God above
Alleluia, I shine a light cause I am loved
This is all I know how to say
Alleluia, Alleluia
This is all I know how to say
Alleluia, Alleluia
You're my everything
Oh-oh, you're my everything
