

On the Wing

Owl City

Breathe and I'll carry you away into the velvet sky
And we'll stir the stars around
And watch them fall away into the Hudson Bay
And plummet out of sight and sound

The open summer breeze will sweep you through the hills
Where I live in the alpine heights
Below the Northern Lights, I spend my coldest nights
Alone, awake and thinking of the weekend we were in love

Home among these mountain tops can be so awfully dull
A thousand miles from the tide
But photos on the walls of New York shopping malls
Distract me so I stay inside

I wish the rockets stayed over the promenade
'Cause I would make a hook and eye
And fish them from the sky, my darling, she and I
We're hanging on so take us high to sing the world goodbye

I am floating away, lost in a silent ballet
I'm dreaming you're out in the blue and I am right beside you
Awake to take in the view
Late nights and early parades, still photos and noisy arcades
My darling, we're both on the wing
Look down and keep on singing and we can go anywhere

Are you there?
Are you there or are you just a decoy dream in my head?
Am I home or am I simply tumbling all alone?

I am floating away, lost in a silent ballet
I'm dreaming you're out in the blue and I am right beside you
Awake to take in the view
Late nights and early parades, still photos and noisy arcades
My darling, we're both on the wing
Look down and keep on singing and we can go anywhere

Are you there?
Are you there?
