

## On the Wing

Owl City

Breathe and I'll carry you away into the velvet sky  
And we'll stir the stars around  
And watch them fall away into the Hudson Bay  
And plummet out of sight and sound

The open summer breeze will sweep you through the hills  
Where I live in the alpine heights  
Below the Northern Lights, I spend my coldest nights  
Alone, awake and thinking of the weekend we were in love

Home among these mountain tops can be so awfully dull  
A thousand miles from the tide  
But photos on the walls of New York shopping malls  
Distract me so I stay inside

I wish the rockets stayed over the promenade  
'Cause I would make a hook and eye  
And fish them from the sky, my darling, she and I  
We're hanging on so take us high to sing the world goodbye

I am floating away, lost in a silent ballet  
I'm dreaming you're out in the blue and I am right beside you  
Awake to take in the view  
Late nights and early parades, still photos and noisy arcades  
My darling, we're both on the wing  
Look down and keep on singing and we can go anywhere

Are you there?  
Are you there or are you just a decoy dream in my head?  
Am I home or am I simply tumbling all alone?

I am floating away, lost in a silent ballet  
I'm dreaming you're out in the blue and I am right beside you  
Awake to take in the view  
Late nights and early parades, still photos and noisy arcades  
My darling, we're both on the wing  
Look down and keep on singing and we can go anywhere

Are you there?  
Are you there?
