

# Shooting Star

Owl City

Close your tired eyes, relax and then  
Count from 1 to 10 and open them  
All these heavy thoughts will try to weigh you down  
But not this time

Way up in the air, you're finally free  
And you can stay up there right next to me  
All this gravity will try to pull you down  
But not this time

When the sun goes down and the lights burn out  
Then it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are

Fill the darkest night with a brilliant light  
'Cause it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are tonight

Woah-oh, woah-oh, woah-oh

Brighter than a shooting star  
Shine no matter where you are tonight

Gaze into my eyes when the fire starts  
And fan the flames so hot it melts our hearts  
Oh, the pouring rain will try to put it out  
But not this time

Let your colors burn and brightly burst  
Into a million sparks that all disperse  
And illuminate a world that'll try to bring you down  
But not this time

When the sun goes down and the lights burn out  
Then it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are

Fill the darkest night with a brilliant light  
'Cause it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are tonight

Woah-oh, woah-oh, woah-oh

Brighter than a shooting star  
Shine no matter where you are tonight

A thousand heart beats beat in time  
It makes this dark planet come alive  
So when the lights flicker out tonight  
You gotta shine

When the sun goes down and the lights burn out  
Then it's time for you to shine

Brighter than a shooting star  
So shine no matter where you are

Fill the darkest night with a brilliant light  
'Cause it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are tonight

Woah-oh, woah-oh, woah-oh

Brighter than a shooting star  
So shine no matter where you are tonight.
