

Unbelievable

Owl City

It's unbelievable
This is as good as it gets
It's unbelievable
Don't know what's gonna happen next
It's unbelievable
You haven't seen nothing yet
It's unbelievable
It's unbelievable

When I was a kid I saved up all my dough
So I could buy C3PO
Put Mentos in my diet coke
In the back seat of the bus

When I was a kid I ate Spaghetti-o's
Played laser tag and GI Joe's
And if you vowed "no girls allowed"
Then you could join the club

When I was a kid I spent my Saturdays
Blowing on Nintendo games
The newest thing was Lion King
And I could feel the love

It's unbelievable
This is as good as it gets
It's unbelievable
Don't know what's gonna happen next
It's unbelievable
You haven't seen nothing yet
It's unbelievable
It's unbelievable

When I was a kid I dreamed of power wheels
Stayed up late watching action films
And I won't lie, my friends and I
Were 2 legit 2 quit

When I was a kid I lived for climbing trees
Ate Dr. Pepper jelly beans
My favorite part of Jurassic Park
Was how real the raptors looked

When I was a kid I still had VHS
Watched Fresh Prince and Jazzy Jeff
Zack Morris owned the first cell phone
And it was off the hook

It's unbelievable
This is as good as it gets
It's unbelievable
Don't know what's gonna happen next
It's unbelievable
You haven't seen nothing yet
It's unbelievable
It's unbelievable

Gak, Pogs and Floam and Home Alone
Berenstain Bears and beanbag chairs
My LA Looks and Goosebumps books
Oh Etch a Sketch, what happens next?
Grape Juicy Juice and Dr. Seuss
Piggy back rides and slip n' slides
Mcdonald's fries, those were the best
What happens next?

It's unbelievable
This is as good as it gets
It's unbelievable
Don't know what's gonna happen next
It's unbelievable
You haven't seen nothing yet
It's unbelievable
It's unbelievable

It's unbelievable
When I think back I'm amazed
It's unbelievable
'Cause baby those were the days
It's unbelievable
It ruled in so many ways
It's unbelievable
It's unbelievable
