

You're Not Alone

Owl City

Some days I barely hold on
When life drags me down
I wanna let go

But when my spirit is weak
You come to my aid
And strengthen my soul

I'm lost without You
I'll never doubt You
Your grace is beyond compare

And though when it rains, it pours
You know all I have is Yours
You smile when You hear my prayer

You rescued me, and I believe
That God is love, and He is all I need
From this day forth, for all eternity

I'll never wander on my own
For I am Yours until You call me home
I close my eyes, and I can hear You say,
"You're not alone", oh oh-oh
"You're not alone", oh oh-oh

Some days I just can't go on
I stumble and fall
And I hang my head

But You reach out for my hand
And You lift me up
Again and Again
Oh, yes You do

I'm lost without You
I'll never doubt You
Your grace is beyond compare

And though when it rains, it pours
You know all I have is Yours
You smile when You hear my prayer

You rescued me, and I believe
That God is love, and he is all I need
From this day forth, for all eternity

I'll never wander on my own
For I am yours until you call me home
I close my eyes, and I can hear You say,
"You're not alone", oh oh-oh
"You're not alone", oh oh-oh

In the face of my depravity
For God so loved the world, He died for me, yeah
My fire burns, 'till He returns
And takes me home beyond the galaxy

You rescued me, and I believe
That God is love, and He is all I need
From this day forth, for all eternity

I'll never wander on my own
For I am Yours until You call me home
I close my eyes, and I can hear You say,
"You're not alone", oh oh-oh
"You're not alone", oh oh-oh

"You're not, you're not alone,
"Never alone..."
