

# Closure

Owl Eyes

Always on my mind  
Always on my mind  
I have to stop,  
If I could just find a reason too,  
Tell me now,  
A waste of my time  
A waste of my time  
When I get caught  
Sleep walking  
To your door

Do not fear me,  
I was just talking  
I was just talking  
To myself,  
And my mind still wants closure  
Closure  
This voice you hear  
I was just walking  
I was just walking  
On my own,  
'cause my heart still longs for closure  
Closure

I'll take it from here  
I'll take it from here  
It's all my fault  
I left the water running  
Far too long,  
I'm sorry you're near,  
I'm sorry my dear,  
Don't be alarmed  
When I wander in the night

Do not fear me,  
I was just talking  
I was just talking  
To myself,  
And my mind still wants closure  
Closure  
This voice you hear  
I was just walking  
I was just walking  
On my own  
'cause my heart still longs for closure  
Closure

Closure on these cold night  
Night night  
Now, closure  
On these cold nights  
Nights nights

I walk this road  
And I wander on my own,  
Don't stop this love,  
They will haunt \_\_\_\_

Do not fear me,  
I was just talking  
I was just talking  
To myself,  
And my mind still wants closure  
Closure  
This voice you hear  
I was just walking  
I was just walking  
On my own  
'cause my heart still longs for closure  
Closure
