

## Love Run Dry

Owl Eyes

Don't let you're love run dry oh oh x3

Illuminate the feeling  
That you once lived on  
This place is a wasteland  
Lay your heart on the floor  
Take it all out on me now  
So I know that ya hear me  
Throw all your fear to the wind  
So you come back screaming

Don't let your love run dry  
I see you!  
Don't let your love run dry  
I see you!  
Don't let your love run dry  
I see you!... you!...

Drag those wolves through the dust  
I can hear them howling  
Scattered bones on the trail  
Because they won't stop hunting  
Let the water cleanse your soul  
Relieve your heartache  
Let moonlight enter you  
And let it guide your way

Well I know what you think of who you are  
And that's all that you need to be  
If you go to the end  
I will follow  
If that's where you need me to be

Don't let your love run dry (3x)

Don't let your love run dry  
I see you!  
Don't let your love run dry  
I see you!  
Don't let your love run dry  
I see you!... you!...
