Oysterhead

Gasoline Vaseline
Benzene Amphetamine
All the chemicals in between
There ain't no cure for suicide
Knew a man he went to jail
His momma couldn't raise his bail
Found him dangling in his cell
There ain't no cure for suicide
She was quite a dainty thing
He held her with a diamond ring
She never did have her final fling
Cause there ain't no cure for suicide
Bitch'in here
Bitch'in there
Bitch'in damn near everywhere
There ain't no cure for suicide (2x)
Buttered toast
Greasy roast
You all remember Danny most
Use to hit us coast to coast
Cause there ain't no cure for suicide
With a pain that thrives inside my neck
And lately I say what the heck
Gotta pry myself up off the deck
Cause there ain't no cure for suicide
I really can't remember when
It didn't flow right from the pen
When it don't I'll carpenter again
Cause there ain't no cure for suicide
Once upon a greasy day
I had an opportune to play
Flanked by ol' Stew and Trey
Cause there ain't no cure for suicide
Seven seconds after I dissolve into the fiery gates of hell
Locked up in a plastic tube where Sandsio lay frozen when he fe

He awoke to find that he was tumbling like the bills of buffalo
Pallid in a backwards way of living was the quickest way to go
