

Sting breaks-Sting-  
Word needs-Cause-  
Mass hears-Lie-  
I hope-Truth-  
Hate breeds-Hate-  
Foul robs-Bliss-  
Endless-World-  
Refrain

Revenge myself on my rage  
I don't afraid of my wish

Blind to my scars  
And my heartache

I stand here barely  
Be in a haze

Blind to my grief  
And my sadness

I shout out jealousy  
Blind as a bat

Go to blazes  
Come now
