

Call From Your Eyes

Oz

Call from your eyes
Call from the silvering truth
Somethin' very fine
Somethin' very evil you'll do

Somethin' very fine, somethin' bad
Oh, call me, Truth-way
Somethin' in your eyes, somethin' mad
I know, I'll stay

Call from your eyes
Call from your eyes

Passin' time, passin' dreams
I'm goin'
Nothin' in the line, nothin' really kind
I'm goin'

(The) Passin' time, (the) passin' dreams
The time is standing still
I'll beware, I'll beware
Those eyes can kill

Ain't no love
Ain't no proof to leave
Plaintive land
Plaintive hand to give

(The) Passin' time, (the) passin' dreams
The time is standing still
I'll beware, I'll beware
Those eyes can kill

Call from your eyes
Call from the silvering truth
Somethin' very fine
Somethin' very evil you'll do

Somethin' very fine, somethin' bad
Oh, call me, Truth-way
Somethin' in your eyes, somethin' mad

I know, I'll stay
