

Enmity

Oz

Beset by doubt
Pray be vanished

Decide problem
Reset my life

[Reset]

Shut up
Shut up

Everything is tough shit
Don't shoot the shit
Everything is so fake
To hell with it

Everything is tough shit
Don't shoot the shit
Everything is so fake
Knock the shit out of fate

Beset by doubt
Pray be vanished

Decide problem
Reset my life

[Reset]

Shut up
Shut up

Everything is tough shit
Don't shoot the shit
Everything is so fake
To hell with it

Everything is tough shit
Don't shoot the shit
Everything is so fake
Knock the shit out of fate
