Aketatsu sora kurameku koe mori fukaku de
"O mukae matsu ?"
Please call my name

Michibiki hito seisho saite doku nomi hosu
"O aji hadou ?"
Can you come with me ?

Bleach my heart with sleep
Erase my love with you

Sleepless follow
Never trust in an illusion
Creep in sorrow
Can't weep it any further

Bleach my heart with sleep
Erase my love with you

Never trust in an illusion
Creep in sorrow
Can't weep it any further
