

In Rubbish

Oz

Shapeless vow

How could I ever go back to live among the embrace And I promised to stand by your side until the dead We tried so hard to understand and season all the time Everything me hold will pass away How can I stand by your side now

Shapeless vow Shapeless vow

Verbal promise of stopgap You believe successfully

Loud and long Think out loud Please do not put out a jarring snarl Please do not put out an annoying cry

Loud and long Think out loud Please do not put out a jarring snarl Please do not put out an annoying cry

How could I ever go back to live among the embrace And I promised to stand by your side until the dead We tried so hard to understand and season all the time Everything me hold will pass away How can I stand by your side now
