

## Resemblance

Oz

I feel my way  
In after image of sky  
Crossing you  
You change, you break  
Resemble the sky  
Crushing you  
Fly away...

Kono te ni nuguenu itami wo  
Kakaite samayoidasu  
Kawatteiku kimi no sono koe mo  
Houjou mo kotae sae mo

This words and this prayers  
Kitto negau yori mo  
Wazuka shika tsutaerarezu ni todoita  
Itsuka sonzai sae mo kanten ni kowareyuku

I feel my way  
In after image of sky  
Crossing you  
You change, you break  
Resemble the sky  
Crushing you  
Fly away...

Tell me, Tell why  
Pretend to be smile  
And tears are thrown

I feel my way  
In after image of sky  
Crossing you  
You change, you break  
Resemble the sky  
Crushing you  
Fly away...

Fly away...  
Far away...
