

# Rock On

Oz

These iron hearts  
Are bleeding next to mine  
Please let the feeling  
take you higher and higher  
Forgotten soldiers  
Standing by my side  
If you must fight, you do it  
Fire with fire

Don't go - Don't go  
Don't go - Don't go

I can't remember  
It was a million years ago  
When we were young  
So young and unsure  
Thru' the ages like a dynamo  
Ohh baby we're flying  
Like a thousand times before

Hod on - Hold on  
Woo-o yee-e

Hold one, get ready to blast  
Rock on, so long as you last  
Stand up, get ready to go  
Rock on tonight

No pretending  
Oh, nothing to prove  
Let the stages lead you  
Higher in life, ooh  
No, no more don't play the fool  
If you must fight you do it  
Fire with fire

Hold on - Hold on  
Woo-o yee-e

Chorus...

Stormy wind in your hair  
Are we ready to go...  
There's so much to be share'd  
When we're chasing the beat

Chorus 2x
