

Second-hand Lady

Oz

It's been a long time since I first set eyes on you
Long time baby, you know I'm comin' fool, fool
I been stare, I know your name
Your name is Marianna Lasoor
I been stare, I know your name
And I try to go back to the moon

She's a second-hand lady, she's a second-hand, why?
She's a second-hand lady, she's a second-hand, why?

Could be so fine, I have nothing worse to say
Could be so fine baby, you even took my way,
And I say : look out now
Don't care what you are doin' 'cause I'm gone
And I say look out now
I go back to make some fun

Do what you want, I won't take your silly toys
Do what you want baby, you leave me no choice
And I look in your dream
Your willing life is going past
And I look in your dream
You goin' baby down at last
