

## Second-hand Lady

Oz

It's been a long time since I first set eyes on you  
Long time baby, you know I'm comin' fool, fool  
I been stare, I know your name  
Your name is Marianna Lasoor  
I been stare, I know your name  
And I try to go back to the moon

She's a second-hand lady, she's a second-hand, why?  
She's a second-hand lady, she's a second-hand, why?

Could be so fine, I have nothing worse to say  
Could be so fine baby, you even took my way,  
And I say : look out now  
Don't care what you are doin' 'cause I'm gone  
And I say look out now  
I go back to make some fun

Do what you want, I won't take your silly toys  
Do what you want baby, you leave me no choice  
And I look in your dream  
Your willing life is going past  
And I look in your dream  
You goin' baby down at last
