Prince of darkness leads us all strike the Christians down The unholy war, false prophet's call "death is all around" Seven daggers must be hidden, master is in danger The fruit that once was so forbidden is eaten by the stranger

We gather our forces and saddle the horses and ride to the night blac

Satan's our god and we're out for blood, he salutes us with thunderou

We got the armour and we got the men, don't need the good on our side Nothing to lose, live or die, into the battle we ride

Turn the cross upside down Feel the evil grow Burn the churches to the ground Satan's wicked show Turn the cross upside down No-one will be saved Burn the churches to the ground Thou shalt be depraved

This is the story and this is the glory, it has no good ending at all Iron imprisons, gold shall set free, you cannot resist this call He gave us the power, he gave us strength, we did what had to be done No more true lies or reaching for skies, just one more night and we'v e won

Turn the cross upside down Feel the evil grow Burn the churches to the ground Satan's wicked show Turn the cross upside down No-one will be saved Burn the churches to the ground Thou shalt be depraved

Turn the cross upside down, turn the cross (4 times) Turn the cross upside down (4 times)

Turn the cross upside down Feel the evil grow Burn the churches to the ground Satan's wicked show Turn the cross upside down No-one will be saved Burn the churches to the ground Thou shalt be depraved

Burn them to the ground
