

This Is All I Have

Ozark Henry

This is all I have
Its been spread out loud
You took all of me
Everything
Nothing left to pack
But my cigarettes
And a photograph
You forgot
Still Im on my way
Chasing love behind
Not knowing what to find
All I know
Still Im on my way
Oh for all I care
Hanging on to loves
Sweetest crime
Am I guilty of
All that youve committed
All of what you did
Everything?
Rumours spread around
That I was unsound
That I let you down
All the way
Still Im on my way
Chasing love behind
Not knowing what to find
All I know
Still Im on my way
Oh for all I care
Hanging on to loves
Sweetest crime
