

## This Is All I Have

Ozark Henry

This is all I have  
Its been spread out loud  
You took all of me  
Everything  
Nothing left to pack  
But my cigarettes  
And a photograph  
You forgot  
Still Im on my way  
Chasing love behind  
Not knowing what to find  
All I know  
Still Im on my way  
Oh for all I care  
Hanging on to loves  
Sweetest crime  
Am I guilty of  
All that youve committed  
All of what you did  
Everything?  
Rumours spread around  
That I was unsound  
That I let you down  
All the way  
Still Im on my way  
Chasing love behind  
Not knowing what to find  
All I know  
Still Im on my way  
Oh for all I care  
Hanging on to loves  
Sweetest crime
