

The Ups And Downs

OZMA

I've been cheating on you ever since we broke up
I've been dreaming about you ever since i woke up
And now my hearing's disappearing ever since you spoke up

I'll devise a plot to break your heart
Think up a plan that i'll never carry out
What's wrong with you?
Tell me now, what should i do?

Don't let me down
I couldn't take much more of your love
Don't call me up
I'm so sick and tired of being down

So i asked you to the show but i knew you wouldn't show up
You came to my birthday party just to tell me i should grow up
And then i see another girl and i think i'm gonna throw up

So i'll devise a plan to nuke your man
Dirty tricks to come back and take command
I'll win your hand
We'll hijack a plane and we're never going to land

Don't let me down
I couldn't take much more of your love
Don't call me up
I'm so sick and tired of being down
