

# Back on Earth

Ozzy Osbourne

I have fallen from grace, and my ashes are scattered  
No longer of passion and flesh  
My flame is alive, though my wings have been shattered  
They lay my body to rest

My spirit is breathing, my senses are pure  
Like reincarnation, my soul will endure

Back on earth...  
The spirit, it never lets go

Like fountains of sorrow, the faces are crying  
I'm witnessing all of their pain  
Death is so final, for only the living  
The spirit will always remain

Bury me deep, just to cover my sins  
My soul is redeemed, as the journey begins

Back on earth (you feel me)  
Back on earth (reveal me)  
Back on earth, the spirit it never lets go

Another dimension, a river of life  
I'm twisting, I'm turning, my soul is in flight

Back on earth (you feel me)  
Back on earth (reveal me)  
Back on earth (still breathing)  
Back on earth (reliving)
