

# Believer

Ozzy Osbourne

[Daisley - Osbourne - Rhoads]

Watching the time go  
And feeling belief grow  
Rise above the obstacles  
People beseech me  
But they'll never teach me  
Things that I already know (I know)

Dreams that have shattered  
May not have mattered  
Take another point of view  
Doubts will arise, though  
Like chasing a rainbow  
I can tell a thing or two (That's true)

You've got to believe in yourself  
Or no one will believe in you  
Imagination like a bird on the wing  
Flying free for you to use (OK baby)

I can't believe they stop and stare  
And point their fingers, doubting me  
Their disbelief suppresses them  
But they're not blind  
It's just that they won't see

I'm a believer  
I ain't no deceiver  
Mountains move before my eyes  
Destiny planned out  
I don't need no handout  
Speculation of the wise
