

I Don't Want to Change the World [Live]

Ozzy Osbourne

Standing on the crossroads, world spinning round and round
Know which way I'm going, you can't bring me down
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in

I don't wanna change the world
I don't want the world to change me

Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
You telling all the people the original sin
He says he knows you better than you'll ever know him

I don't wanna change the world
I don't want the world to change me

You know it ain't easy
You know it ain't fair
So don't try to please me
Because I really don't care

Don't tell me stories 'cause yesterday's glories
Have gone away, so far away
I've heard it said there's a light up ahead
Lord I hope and pray I'm here to stay

Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in
