

No More Tears

Ozzy Osbourne

The light in the window is a crack in the sky
A stairway to darkness in the blink of an eye
A levee of tears to learn she'll never be coming back
The man in the dark will bring another attack
Your mamma told you that you're
not supposed to talk
To strangers
Look in the mirror tell me do you
think your life's
In danger here ya
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
Another day passes as the night closes in
The red light goes on to say its time to begin
I see the man around the corner
waiting does he see me?
I close my eyes and wait to hear
the sound of someone
Screaming here
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears

So now that its over can't we just say good-bye?
N like to move on and make the most of the night
Maybe a kiss before I leave you this; way
Your lips are so cold I don't know what else to say
I never wanted it to end this
way my love my darling
love I think
I'm falling here
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
No more tears
Tears, tears, tears
