Over the Mountain

Ozzy Osbourne

Over the mountain, take me across the sky Something in my vision, something deep inside Where did I wander, where d'ya think I wandered to I've seen life's magic astral plane I travel through

I heard them tell me that this land of dreams was now I told them I had ridden shooting stars And said I'd show them how

Over and over, always tried to get away Living in a daydream, only place I had to stay Fever of a breakout burning in me miles wide People around me talking to the walls inside

I heard them tell me that this land of dreams was now I told them I had ridden shooting stars
And said I'd show them how

Don't need no astrology, it's inside of you and me You don't need a ticket to fly with me, I'm free, yeah

Over and under, in between the ups and downs
Mind on a carpet, magic ride goes 'round and round
Over the mountain, kissing silver inlaid clouds
Watching my body disappear into the crowd

Don't need no astrology, it's inside of you and me You don't need a ticket to fly with me, I'm free, yeah
