

Sabbath Bloody Sabbath

Ozzy Osbourne

You've seen life through distorted eyes
You know you had to learn
The execution of your mind
You really had to turn

The race is run the book is read
The end begins to show
The truth is out, the lies are old
But you don't want to know

Nobody will ever let you know
When you ask the reasons why
They'll just tell you that you're on your own
Fill your head all full of lies

The people who have crippled you
You want to see them burn
The gates of life have closed on you
And now there's just no return

You're wishing that the hands of doom
Could take your mind away
And you don't care if you don't see
Again the light of day

Nobody will ever let you know
When you ask the reasons why
They'll just tell you that you're on your own
Fill your head all full of lies
You bastards!
