

Thank God for the Bomb

Ozzy Osbourne

Like moths to a flame
Is man ever gonna change?
Time's seen untold aggression
And infliction of pain
If that's the only thing that's stopping war

Then thank God for the bomb
Thank God for the bomb
Thank God for the bomb
Thank God for the bomb
Nuke ya, nuke ya

War is just another game
Tailor made for the insane
But make a threat of their annihilation
And nobody wants to play
If that's the only thing that keeps the peace

Then thank God for the bomb
Thank God for the bomb
Thank God for the bomb
Thank God for the bomb
Nuke ya, nuke ya

Today was tommorow, yesterday
It's funny how time can slip away
The face of the doomsday clock
Has launched a thousand wars
As we near the final hour
Time is the only foe we have

When war is obsolete
I'll thank God for war's defeat
But any talk about hell freezing over
Is all said with tongue in cheek
Until the day the war drums beat no more

I'll thank God for the bomb
Thank God for the bomb
Thank God for the bomb
Thank God for the bomb
Nuke ya, nuke ya
