Therapy therapy Lost sight I think I'm getting out of my range Colors flash Now things are starting to get strange Start it up And you say you wanna get it on me, I need I need I nned my Therapy Now just relax we'll put your mind at ease But first you've got to say "pretty please" Therapy therapy Fire it up Put a little gas on the brain All aboard A ride on the newest thang Chew chew Looked out it's a runaway train, pure rain, no gain, insane It's Therapy therapy And right before they dig into my mind Therapy therapy The doctor screams "Let's go it's party time" Therapy therapy Let right left right Like every heartbeat needs a motion Let right left right Like every wave needs a sea Let right left right Like every teardrop needs a eyeball Let right left right You've got to name your therapy Therapy! Therapy! Therapy! Therapy therapy Snap pop A sweet emotion just broke loose Don't care It ain't nothing I can use Ha! Ha! Ain't it funny how we all abuse you choose, abuse, you lose now Therapy You know we want to help we really care Therapy But when your money's gone you're out of here!
