## **Ozzy Osbourne**

I don't need no doctor But I need something to kill the pain Don't know what I'm after But the pressure driving me insane Searching for a differnt ride Had a funny feeling I can't hide Hey, Hey, Do the Zombie Stomp Why can't they just let me be Alone without the misery Hey, Hey, Do the Zombie, Zombie Stomp Flirting with disaster Mornign after killing me again Hiding from the laughter And the demons dancing round my brain Always dancing on thin ice I guess I'll have to pay the price Hey, Hey, Do the Zombie Stomp Thinking how it could have been If I had never let them in Hey, Hey, Do the Zombie, Zombie Stomp Take me to the doctor 'Cause I feel it coming on again Don't know where I'm going 'Cause I guess I don't know where I've been Looking for a different ride Always dancing on thin ice Hey, Hey, Do the Zombie Stomp Thinking how it could have been If I had never let them in Hey, Hey, Do the Zombie, Zombie Stomp
