

# Bad Boy

P.o.d.

I like a girl with big ol' eyes  
Cause I could see her mind, body and soul harmonize  
And she's so fine, I can't say love is blind  
But I know it got me shook, got me mesmerized.  
The kind of girl when she steps in the room  
You know she steps to her own tune  
She's got a custom fitted, one of a kind gown to the ball  
Not someone else's costume!  
And Miss Right don't come in two's  
So I'm careful 'bout who I choose  
These little floozies can dance on my cues  
They're wasting time trying to fill your shoes

And I'm a bad boy, but I like good girls  
The kind you wanna take home to meet your momma  
You know that I'm a bad boy and I wanna good girl  
To share my world  
And show you how I do it!

And girl you know how I do, girl you know you've heard of my crew  
And girl, I'm looking for a love that's true  
Not some other ho to do  
But when it's all set and done I need more than a hit and run  
But don't get me wrong, you could be real fun  
But it's time for me to find the one  
The one I want to spend the rest of my life with,  
The one to have too many kids with  
So I'ma wife you up and make it right  
Gonna turn you to a freak tonight, come on!

And I'm a bad boy, but I like good girls  
The kind you wanna take home to meet your momma  
You know that I'm a bad boy and I wanna good girl  
To share my world  
And show you how I do it!

Undying love, that's what I'm after  
Like Mark Anthony and Cleopatra  
I need a girl who's down to ride  
I need a Bonnie and I can be your Clyde  
I wanna girl I could love to death like Romeo and Juliet

And I'm a bad boy, but I like good girls  
The kind you wanna take home to meet your momma  
You know that I'm a bad boy  
I'm a bad boy! But I,  
I want a good girl to share my world  
To show you how I do it!

When the party's over you are there,  
Girl you're teasing me but I'm gonna wait cuz I wanna  
Take you home to meet my mama, cuz I, I wanna good girl  
To share my world and show you how I do it
