I like a girl with big ol' eyes Cause I could see her mind, body and soul harmonize And she's so fine, I can't say love is blind But I know it got me shook, got me mesmerized. The kind of girl when she steps in the room You know she steps to her own tune She's got a custom fitted, one of a kind gown to the ball Not someone else's costume! And Miss Right don't come in two's So I'm careful 'bout who I choose These little floozies can dance on my cues They're wasting time trying to fill your shoes And I'm a bad boy, but I like good girls The kind you wanna take home to meet your momma You know that I'm a bad boy and I wanna good girl To share my world And show you how I do it! And girl you know how I do, girl you know you've heard of my crew And girl, I'm looking for a love that's true Not some other ho to do But when it's all set and done I need more than a hit and run But don't get me wrong, you could be real fun But it's time for me to find the one The one I want to spend the rest of my life with, The one to have too many kids with So I'ma wife you up and make it right Gonna turn you to a freak tonight, come on! And I'm a bad boy, but I like good girls The kind you wanna take home to meet your momma You know that I'm a bad boy and I wanna good girl To share my world And show you how I do it! Undying love, that' what I'm after Like Mark Anthony and Cleopatra I need a girl who's down to ride I need a Bonnie and I can be your Clyde I wanna girl I could love to death like Romeo and Juliet And I'm a bad boy, but I like good girls The kind you wanna take home to meet your momma You know that I'm a bad boy I'm a bad boy!
