

Guitarras de Amor

P.o.d.

Love is very very very very painful...
Love can be very very painful
Love, love is beautiful, Love is kind,
Love is patient, Love is blind
Love, is, Love is beautiful, yes,
I love you, do you love me?
I love you, maybe you don't love me but that's ok.
Love...Guitars of love
This is, the guitars of love
These are, the guitars of love
Guitars of love.
