

## Set Your Eyes to Zion

P.o.d.

Back in the day when man he paved the way  
Fell in temptation, sin spread through the nation  
Lead me salvation, and pierce the palms of holy hands  
Who is the son of man? take me to the promised land  
Where I and I free, Jah set my mind at ease  
I stay cool in the shade even at 96 degrees  
You must believe and plant this seed of wisdom  
Stick to the track and don't be trapped by Babylon

(2x):

Set your eyes to Zion  
Jah Jah people ride on

Forgive them Lord, for they not know  
That what they do, people blame it on you  
Can't understand why dem so mad  
Dem heart get cold, empty with no soul  
But I've begun to search for One  
Giver of life, and I recognize  
To be with you, (forever I'll be with you)  
In paradise, Zion I set my eyes

(2x):

Set your eyes to Zion  
Jah Jah people ride on

We set our eyes to Zion,  
Jah Jah people ride on  
We set our eyes to Zion,  
Jah Jah people ride on

Tell me Mr. Deadman?  
Do you have the answer?  
How we can get to Heaven?  
Do you have the answer?  
Hey Mr. Deadman  
I'll tell you if you wanna know,  
How you can get to Heaven?  
Believe in I Jah Jah son

(2x):

Set your eyes to Zion  
Jah Jah people ride on
