

This Time

P.o.d.

And is this where we need to be?
Or are we tired of looking?
Searching, for more than eyes can see
For something to believe in
It slipped away, fell away, tried to play yourself
No turning back, all alone and there's nobody else
Who even knows I'm missing

And I and I won't run this time
It's worth more than the chance we're taking
And I and I won't run this time
Wanting more has got me waiting
This time for love

And I have done this all before
And nothing ever changes
Waiting, gets harder every time
I don't know how to stay still
And nothing more left to lose, throw it all away
May be the last chance I get to see your face
I can't afford to leave here

And I and I won't run this time
It's worth more than the chance we're taking
And I and I won't run this time
Wanting more has got me waiting

And I and I won't run this time
I can't believe the chance we're taking
And I and I won't run this time
I need to know so I'll be waiting
This time for love

And I and I won't run this time
It's worth more than the chance we're taking
And I and I won't run this time
Wanting more has got me waiting

And I and I won't run this time
I can't believe the chance we're taking
And I and I won't run
And I and I won't run
This time from love
