This Time

And is this where we need to be? Or are we tired of looking? Searching, for more than eyes can see For something to believe in It slipped away, fell away, tried to play yourself No turning back, all alone and there's nobody else Who even knows I'm missing

And I and I won't run this time It's worth more than the chance we're taking And I and I won't run this time Wanting more has got me waiting This time for love

And I have done this all before And nothing ever changes Waiting, gets harder every time I don't know how to stay still And nothing more left to lose, throw it all away May be the last chance I get to see your face I can't afford to leave here

And I and I won't run this time It's worth more than the chance we're taking And I and I won't run this time Wanting more has got me waiting

And I and I won't run this time I can't believe the chance we're taking And I and I won't run this time I need to know so I'll be waiting This time for love

And I and I won't run this time It's worth more than the chance we're taking And I and I won't run this time Wanting more has got me waiting

And I and I won't run this time I can't believe the chance we're taking And I and I won't run And I and I won't run This time from love
