Will You

See you sittin' next to the window in the bedroom She brakes down - brakes down Crying over something and starin' into nothin' Afraid now - hate now Wanting, needing, haunting, it's killing me Faking what has happened to live the life like that man I'll brake down - It's fake now

Will you, Will you love me tomorrow? So Will You, Will you stay with me today?

Fade in and out of reason to fight the way she's feelin'
She brakes down - brakes down
Going through the motions and holding onto hopes
and her dreams now - somehow
Shaken, mistaken, forsaken, it's killing me.
Wishing you could change, but he's always been this way
If you leave now - I'll drown

Will you, Will you love me tomorrow? So Will You, Will you stay with me today? Will you, Will you be here tomorrow? So Will You, you remember yesterday?

Yesterday! Yesterday! Yesterday! Yesterday!

This time, I'm sorry This time, I'm sorry This time, this time, I'm sorry for this time This time, this time, I'm sorry This time I'm sorry!

Will you, Will you love me tomorrow? So Will You, Will you stay with me today? Will you, Will you be here tomorrow? So Will You, you remember yesterday?

Will you? (6x) So Will You? Will you? (6x) P.o.d.
