

Bring It On

P-Square

Hoo hoo hoo hoo
Bring it on, bring it on
You woo woo woo woo o
You woo woo
Bring it on
You woo woo woo
You woo woo
Oh

Life no dey sweet o eh
If some people no dey hate o
So use your number six o
Dey calculate, you go see the ratio
The beef sef na meat o
Whether na asun dem relate o
So bring your own crayfish o
We go mix o
Oh na

Oh o o
Shey na dem talk say, we no go blow o o
Oh o o
Shey dem dey see us now
We don dey glow o
Take a look at me now ah
Take a look at me now ah ah
We running things in this town
Can't you see

[Hook - Dave Scott:]
I don't care who you are
Where you from or what you do
Just as long as you chasing money
Do what's right, never give up on it
Bring it on
Bring it on
Are you ready
Unu ready
No matter how you try
Don't you ever fall
Keep your head up high
And standing tall
Bring it on, bring it on
Are you ready
Unu ready
No matter how you try
Don't you ever fall
Keep your head up high
And standing tall
And rising, rising, rising
Keep it high
Rising, rising, ri-rise
Bring it on

This life e no easy
So much hustling and bustling
Everyone is struggling

So make you no dey believe say
Since everyone is chasing
You never gonna make it...lai lai
Never say No uh
Never give up
Keep your head up
Standing tall
And for sure uh
You go turn it up
Burn it up
Turn down for what

Oh o o...eh
They na dem talk say, we no go blow o o
Oh o o
They dem dey see us now
We don dey glow o o
Take a look at me now ah ah
Take a look at me now ah ah
We running things in this town
Can't you see
