

# Omoge Mi

P-Square

No Yeah  
Girl why yeah yeah  
Omoge mi  
Ati padi mi  
He eh Oremi eh  
Girl why yeah yeah

So many times I wonder why  
Tears dey for my eyes  
For so long me I no know  
Say my girl friend and my best friend  
They play me and them no send  
This na the thing way dey make me feel so

I bin forgive her the other time  
She was begging to be mine  
I told her not to cry  
That everything will be alright  
But now I wonder why  
It has to be this guy  
This na my only best friend

If na you, tell me wetin you go do your girl friend  
Omoge ti mo feran  
Ti emi feran, ti emi fe ri  
Omoge mi ati padi mi  
Won ti semi nkan ti o da  
Wetin you go do your best friend?  
This na padi mi, oremi eyi e eh  
Girl why yeah yeah

No I no go fit take am any more  
Lai lai  
She suppose to be my wife  
To bring the light in our lives  
To my personal person  
I don learn my lesson  
And I dey swear

This no go happen again oh  
This Na my biggest mistake eh  
And my friends no go see me again  
And my girl no put me for shame

[Chorus: till fade]
