

## Always With You

P9

There's something that I want to say  
Before you just walk away  
I wish that you would stay and kiss my lips  
There's something that I need to know  
Is that not possible  
I hate to see you go  
I'm serious

Oh wow look at us now  
Chillin' at the beach 'till the sun goes down  
Rollin' down the street to the P9 sound  
Whatever I do I wanna be

Always with you  
There's no need to ever wonder  
Me with you what I'm wantin'  
Always with you  
Forever's where I wanna stay  
So promise me you'll never go away

I finally got the never to tell you how I really feel  
And now you know the deal  
So how 'bout you  
I bet you fell the same for me  
Cause I can fell your energy  
You wish for us to be, I fell it too

Oh wow look at us now  
Chillin' at the beach 'till teh sun goes down  
Rollin' down the street to the P9 sound  
Whatever I do I wanna be

Always with you  
There's no need to ever wonder  
Me with you what I'm wantin'  
Always with you  
Forever's where I wanna stay  
So promise me you'll never go away

Oh wow look at us now  
Chillin' at the beach 'till teh sun goes down  
Rollin' down the street to the P9 sound  
Whatever I do I wanna be

Always with you  
There's no need to ever wonder  
Me with you what I'm wantin'  
Always with you  
Forever's where I wanna stay  
So promise me you'll never go away

When the sunlight is on your face  
I can't belive the beauty that I see  
And I won't have it any other way  
Cause with you is where I wanna be

Always with you

There's no need to ever wonder  
Me with you what I'm wantin'  
Always with you  
Forever's where I wanna stay  
So promise me you'll never go away
