

Broken Angel

P9

You loved, yeah loved him hard
But he don't appreciate the angel that you are
You gave him everything you had
But you didn't know that love would turn out all so bad
And now your heart's in pretty little pieces
I'll give you a reason to spread your wings again

Broken angel let me save you
I will take you to my love
Broken angel let me save you
I will take you to my love

I know it's gonna take some time
Just learnin' to trust again
And give your heart and mind
But let go of all those silly thing
Just jump and trust those pretty wings
You'll see that you're gonna be just fine
And if only you would get to know me
Baby let me show the how to love again

Broken angel let me save you
I will take you to my love
Broken angel let me save you
I will take you to my love

Yes you are, yes you are
Yes you're gonna make it
Yes you are, yes you are
Just let love take it

Broken angel let me save you
I will take you to my love
