

Live Out Loud

P9

Tonight we're breaking away these chains
That's been keepin' us hostage
Tonight we're gonna make our big escape
Right when everyone's watchin'
Tonight you're gonna lead the band
So tell me are you ready
Tonight I'll be your number one fan
So come on and let's go

Crazy crazy baby crazy
Let's go all the way
Crazy crazy baby crazy
Nothin' more to say
Crazy crazy let's go crazy
Nothin's gonna stop us now
Don't be another face in the crowd
We gotta live our lives out loud

What ya gonna do if you don't break free
Just stand there runnin' in circles
All you gotta do is just come with me
I promise nothing will hurt you
Tonight you're gonna lead the band
I know that you're ready
Tonight I'll be your number one fan
So come on and let's go

Crazy crazy baby crazy
Let's go all the way
Crazy crazy baby crazy
Nothin' more to say
Crazy crazy let's go crazy
Nothin's gonna stop us now
Don't be another face in the crowd
We gotta live our lives out loud

Crazy crazy
Go go go crazy
Let's go!

Crazy crazy baby crazy
Let's go all the way
Crazy crazy baby crazy
Nothin' more to say
Crazy crazy let's go crazy
Nothin's gonna stop us now
Don't be another face in the crowd
We gotta live our lives out loud
