

Holding On

Paatos

i don't wanna feel this way
-alone again
suddenly i leaked and life ran dry
i don't wanna feel this leak
inside myself
tried to walk away
and never said goodbye

i'm broken
i'm broken inside
i'm hurting
and i just can't let go

i'm holding on
i keep holding on (2x)

i don't wanna move this way
-all left behind
wish that i could let it go
i'm on my way

i'm broken
i'm broken inside
i'm hurting
and i just can't let go

i'm holding on
i keep holding on (x2, then x2)
