

# I Want You Tonight

Pablo Cruise

Yesterday I swore  
I was gonna switch you  
But today I'm back for more, oooh  
I cant resist you  
Starvin' just to feed the feel  
But lust just to make a deal  
Will power disappears  
You become the music in my ears

I want you tonight  
I feel like getting crazy  
Oh, I know its not right  
But who is gonna save me?

Now and then I stop  
And wonder what I'm doin  
And sometimes when I talk  
I dont know who Im foolin'  
As the demon livin' deep inside  
Its really me all right  
Temptations doin' it to me  
Got me in the mood I cant get free, no

I want you tonight man I'm thinkin' maybe  
Oh, I know it ain't right but who is gonna save me?

Is there no way of fighting this feeling inside  
Where ecstasy lives but sanity dies?  
We all need more of each other

I want you tonight  
I feel like getting crazy, yeh  
Oh, I know its not right  
But who is gonna save me? oh-oohhh!  
I want you tonight man I'm thinkin maybe  
Oh, I know it ain't right but who is gonna save me?

Ohhh!  
I want you tonight  
I want you tonight  
I want you tonight  
I want you, I want you tonight

I want you tonight  
I feel like gettin craaaaaazy  
Oh-ohhh I know its not right  
But who is gonna saaaay-yave me?  
I want you, I want you tonight  
Wontcha baby, wontcha baby
