

Bang!

Paddy and the Rats

While dogs were fuck in the kitchen
My girl just fucked with my mind
„Why don't you have got a real job
Why are you just fuck your time?”
So i had to go to Murphy's,
Coz i couldn't write a rhyme
I drank a lot of whiskey and Guinness
And I fucked well fine
When I'm going home I bang my girl,
I always do that
Maybe I'm a crazy man
But that's my attitude
When I go out with my Paddys,
We don't like drink bloody water,
And when I drink a whiskey,
That's always what I do
