

## Freedom

## Paddy and the Rats

Far on the highlands  
A thousand graves can tell you  
How blood and sorrow  
Can be truly value  
The ghost of our proud heroes  
Whispers 'bout the past  
It's painting the sky  
With the holy blood of irish  
Freedom...

Far on the highlands  
A thousand graves can tell you  
How blood and sorrow  
Can be truly value  
Wipe the tears away  
From your eyes coz my love is  
Strong enough to see the God  
And bring the luck of irish
