

The Six Rat Rovers

Paddy and the Rats

Sail away from Galway
To pirate some ships
Well, come on board
Big cargo of porter
And let's start to jigg
Oh we want more

The six Rat rovers
Down on the floor
We're never sober
More, more, we want more

Drinkin' all me whiskey
Then we have no fear
Fight the captains dog
Smokin' all yer tobaccos,
Me stupid drunken leer
Drowned in the grog

The six Rat rovers
Down on the floor
We're never sober
I want more

All me friends are singin'
Hangin' on the riggin'
All me friends are singin'
And we want more
