

# Pray Pray Pray

Paddy Kelly

World is like a river  
of which we drink but our sins pollute the water  
and now the river is flooded  
so we must build an ark of faith  
and trust in divine providence

I was in a room of darkness  
it wasn't enough to open the window for air  
I had to unlock the door  
so I searched for the key  
and what I found was our Lady of Medjugorje  
saying to Pray

Pray, pray, pray  
Pray, pray, pray  
for a happier day  
Oh, come on and pray  
Pray pray pray  
Pray pray pray  
and the lord will show you the way

Me and my brothers and sisters  
we were struggling between heaven and hell  
we found it hard to understand  
how we got sunk into a spiral  
of negative and demonic spells  
so we went on a pilgrimage  
searching for healing at the heavenly wells  
we came across a wise man  
telling us children it's very simple  
conversion, mass, the sacraments and

Pray, pray, pray  
Pray, pray, pray  
for a happier day  
Oh, come on and pray  
Pray pray pray  
Pray pray pray  
and the lord will show you the way  
Oh, we've got to pray  
Pray pray pray  
Pray pray pray  
For a happier day

Need a childlike faith to enter into heaven  
'til the harvesters come don't be afraid

We all have our crosses to carry  
if we carry them humbly  
there's no need to worry  
if we forgive we'll be forgiven  
then our purified hearts will feel the presence  
of God's eternal love burn inside

I ain't no religious expert  
but I don't have to be  
to know that God ain't illusion

I'm testifying what I witness  
'cause a faith without acts is a dead faith  
that's why I wrote this song  
So we can pray

Pray pray pray  
Pray pray pray  
and the lord will show you the way  
Oh, we've got to pray  
Pray pray pray  
Pray pray pray  
For a happier day

Pray pray pray  
For a happier day
