

## Eyes of Fire

Pagan's Mind

Taken back in time  
Travel through the ages  
Messenger of fate  
Head out to the star now

Intermission takes me higher  
Lift me up unto the sky  
Intermission takes me higher  
To the edge

Eyes of fire  
Watching you listening in silence  
I can't believe and I'm lost in your eyes  
I know that we'll win in the end

Whispers in the wind  
All accross the heavens  
Time will carry on  
This moment you'll arrive  
Arrive

Inspiration to desire  
Living life on to the last goodbye  
Inspiration to deire  
Takes me higher

Eyes of fire  
Watching you listening in silence  
I can't believe and I'm lost in your eyes  
I know that you'll win in the end

Whispers in the wind

Intermission takes me higher  
Lift me up unto the sky

Eyes of fire  
Watching you listening in silence  
I can't believe and I'm lost in your eyes  
I know that we'll win in the end  
I can't believe and I'm lost in your eyes  
Believe that you'll win the enda
